

ANKITA ROY

MARKET RESEARCH • CONSUMER INSIGHTS • DATA ANALYTICS

Seattle, WA | +1 206 513 8445 | royankita134@gmail.com | [LinkedIn](#)

PROFESSIONAL SUMMARY

Market research and analytics professional with 4+ years of experience in market sizing, forecasting, competitive intelligence, consumer insights, and syndicated research across retail and consumer sectors. Published analyst cited by Quartz, LiveMint, Business of Fashion, Just Style, Yahoo News, and Retail Asia. Expanded expertise in data science and business analytics through UT Austin McCombs and Boston University, combining an economics foundation with SQL, Python, Tableau, Power BI, and AWS.

CORE EXPERTISE

Market Sizing & Forecasting	Competitive Intelligence	Consumer Insights
Primary & Secondary Research	Statistical Modeling	Data Visualization & Reporting

PROFESSIONAL EXPERIENCE

Graduate Analytics Training & U.S. Relocation

Apr 2022 - Present

Seattle, WA

- Relocated from India to the United States and used a planned career break to deepen expertise in advanced analytics through graduate study.
- Completed the Post Graduate Program in Data Science & Business Analytics at UT Austin McCombs and a Graduate Certificate in Data Analytics at City University of Seattle; currently pursuing an M.S. in Applied Business Analytics at Boston University.
- Built hands-on capability in SQL, Python, Tableau, Power BI, statistical modeling, forecasting, cloud analytics, and applied machine learning.

Senior Analyst | GlobalData PLC

Oct 2018 - Mar 2022

Hyderabad, India

Global data and analytics company providing syndicated research and intelligence across consumer and retail sectors

- Led quantitative and qualitative research across retail and consumer sectors, identifying whitespace opportunities, market-entry strategies, and competitive positioning across North America, Europe, APAC, and ROW.
- Built market sizing models, multi-year forecasts, and market-share estimates by triangulating secondary research, expert interviews, and primary inputs.
- Owned syndicated studies end to end, including scoping, market assessment, company benchmarking, and insight-led deliverables for global clients.
- Designed research frameworks and questionnaires, conducted expert interviews, and validated demand- and supply-side assumptions underlying forecasts.
- Translated complex, multi-source findings into decision-ready recommendations and authored analyst commentary cited by international media outlets.

Selected coverage: APAC apparel forecasting; quick-commerce economics; India retail spending; beauty e-commerce competition; China/APAC sportswear demand.

Research Associate | Global Market Estimates

Sep 2017 - Oct 2018

Pune, India

Market research and consulting firm producing syndicated and custom research reports

- Conducted primary and secondary research to track market trends, size opportunities, and monitor competitive activity across consumer markets.
- Designed survey questionnaires and synthesized respondent data into actionable client insights.
- Developed syndicated reports covering company profiles, financial analysis, SWOT, product mapping, and strategic benchmarking.
- Produced Excel-based charts, models, and client-ready deliverables, and collaborated with senior analysts on scope and quality.
